WHEREAS, the General Assembly of the State of North Carolina authorized the creation of a Historic Properties Commission for the City of Raleigh and otherwise provided for the preservation of certain historic sites and buildings by the passage of Part 3B, Article 19, Chapter 160A North Carolina General Statutes; and

WHEREAS, the Raleigh Historic Properties Commission has made an investigation and recommended the following property be designated a Historic Property; and

WHEREAS, the North Carolina State Department for Cultural Resources has made an analysis and recommendation that the following property be designated a historic property; and

WHEREAS, on the 4th day of September, 1979, a joint public hearing was held in the Council Chambers of the Municipal Building, Raleigh, North Carolina, by the Historic Properties Commission and the City Council of the City of Raleigh to determine whether the hereinafter described property should be designated a historic property; and

WHEREAS, all requirements of Part 3B, Article 19, Chapter 160A of the North Carolina General Statutes, preceding the adoption of this ordinance, have been complied with.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF RALEIGH THAT:

Section 1. The property of State of North Carolina located at 2-20 Edenton Street (Building only), in the planning jurisdiction in the City of Raleigh, North Carolina, be and is hereby declared a historic property. Said property being more particularly described as follows:

Agriculture Building being approximately 210' x 220'.

Section 2. Those elements of the property that are integral to its historical, architectural, archaeological, or any combination thereof are as follows:

AGRICULTURAL BUILDING, 1923  
2-20 East Edenton Street

Designed by Raleigh architects, G. Murray Nelson and Thomas Wright Cooper, in the Neoclassical Revival style, the Agricultural Building was completed in 1923 as a new home for the Department of Agriculture. Its size and style typify the official academic architecture favored for government office buildings in this period. Section 3. No building or structure that is designated in this ordinance located on the hereinbefore described site may be altered, restored, moved, remodeled, or reconstructed so that a change in design, material or outer appearance occurs unless and until a certificate of appropriateness is obtained from the Raleigh Historic Properties Commission or its successors.

Section 4. No building or structure which is designated in this ordinance on the hereinbefore described site may be demolished unless and until either approval of demolition is obtained from the Raleigh Historic Properties Commission or, after the Commission has received a completed request for demolition, one-hundred and eighty (180) days have elapsed.

Section 5. That all owners and occupants of the property hereinabove described, whose identity and addresses can be ascertained by the exercise of due diligence be sent by certified mail a copy of this ordinance.

Section 6. This ordinance shall be indexed under the property owner's name in the grantor and grantee indexes in the Office of the Register of Deeds of Wake County.

Section 7. City administration and the Historic Properties Commission are hereby authorized and directed to have erected an appropriate sign on the site hereinabove described setting forth the fact that said site has been designated a historic property by action of the Historic Properties Commission and the City Council of the City of Raleigh provided, should the owners of the hereinabove described property not consent to the erection of said sign on the described premises, City administration and the Historic Properties Commission are hereby authorized and directed to have said sign located on the public right-of-way adjacent to said property.

Section 8. In the event any building or structure is demolished in accordance with the ordinances of the City of Raleigh, this ordinance shall automatically be null and void.
